PROJECTS:

LIBRARY-X

SpringBoot & Hibernate | 2022

- Book-management web console with UI on top of API.
- Full-fledged project having MVC implementation.
- Comes up with new ideas for the company website

Inline-Login Automation Testing

Java, Selenium Testing | 2022

- Terminal Based Browser Automation Script.
- Facing an issue in my projects of always login to see the content so to overcome this I made a script to automate.
- Implemented Selenium Testing with browser driver.

CALCI-X

Java with Java-Fx | 2021

- A beautiful Java-Fx based Calculator.
- Calci-x can calculate all basic mathematical calculations.
- Implemented Java-Fx UI library.

EDUCATION HIGHLIGHTS

IIMT ENGINEERING COLLEGE

B-TECH Computer Science Engg. | 2019 - Present

- Affiliated to Dr. APJ Abdul Kalam Technical University
- Secured 8.38 GPA
- Tech-Lead

SACRED HEART ACADEMY

Intermediate | 2018

- Secured 75%
- Class Prefect, Computer Science.
- Secured 1st position on Debate and Technical Quiz
- Major - Computer-Science

SACRED HEART ACADEMY

High School | 2016

- Secured 83%
- Secured 2nd Position in 200m Race
- Major -Computer-Application
